

For more than 30 years, ISIS Papyrus has been the market leader with its standard business communication and process management software for more than 2000 major companies and service providers.

Success is based on our experienced professionals who excel in their dedication and commitment. In keeping with our growth, we offer young computer scientists and experienced specialists highly interesting and future-oriented tasks.

Business Application Developer (m/w) – Application Development

The Papyrus communication and process platform consolidates ECM, BPM, CRM, BRM and operational BI into one comprehensive knowledge application. With predefined Papyrus applications, ISIS Papyrus customers can quickly deploy complex business applications.

Your Tasks:

- Responsibility and conception of the development of individual papyrus applications
- Analysis and improvement of existing Papyrus applications
- Quality control and responsibility

Your Profile:

- Experience of an object-oriented programming language and/or object-oriented scripting language
- Strong analytical and process-oriented thinking
- Independent and flexible working style
- Fluent English in spoken and written form

Ideally, your profile will also contain the following skills:

- Experience with document management systems / CMS systems
- Knowledge of databases / database systems
- Basic knowledge in conception and analysis of (software) projects
- Knowledge of business applications
- UML knowledge

Your future benefits:

- State-of-the-art new headquarters
- Free underground parking for all employees
- Large green area with terraces and relaxation areas
- High tech infrastructure with the latest video conference technology
- International and open corporate culture
- Appreciation and respectful treatment
- Further development in the team by experienced colleagues
- Long-term employment in a profitable corporate group
- Regular corporate events
- Regular employee health and social activities
- Shower facilities for those who wish to exercise before work or during breaks

Become part of our company growth, because your competence is the basis of our success!

For legal reasons, we are obliged to advise that the minimum salary for the advertised position is € 3,000 gross per month. Any increase to the gross salary is based on the current market salaries as well as your work experience and qualifications.
