

ISIS Papyrus is a profitable, privately owned group of companies founded in Austria. The software enables business applications for digital transformation and communication. We have more than 350 employees worldwide. ISIS Papyrus now has 16 branches on three continents with headquarters in Austria, America and Singapore.

Due to exciting new customer projects, Papyrus Software is looking to recruit talented and ambitious talents to join our professional services team.

## IT Implementation Consultant (m/f/d)

This role will be based in our office in Kingsclere, near Newbury which (during normal times) will require extensive UK and international travel. Competitive base – bonus salary package offered depending on skills and experience.

### Your tasks:

Your main focus will be to demonstrate, configure, implement, and support an industry leading software solution. With a proven ability to excel in a customer-facing role, you will have a natural ability to pick up new and innovative technologies, and be able to liaise with clients through all phases of a project from proof of concept to go live.

- Acquire in depth knowledge of our software and solutions
- Configuration, installation and training at our customer sites
- Analysis of customer requirements and environment
- Design end-to-end solutions to meet the customer needs using Papyrus products
- Presentation of the Papyrus system to technical and managerial audiences
- Perform project management assignments

### Your profile:

- Minimum 5 years' experience in IT project-based environment, working for a IT organisation
- Experience of UNIX and/or Windows environments
- Good knowledge of an object orientated programming language
- Proven report writing, verbal and written communication and presentation skills
- Self-starter who is capable of working independently
- Must be willing to travel up to 70% of working time, including international travel

### Why ISIS Papyrus?

- Dynamic, open-minded and international working environment
- Innovative, leading software solution
- Personal development within the company
- Long-term employment in a profitable group

Annemarie Pucher, CEO
